

By Golly Its Hot brings heat to California race

July 5, 2012 - California ~ Congratulations to Susan Willis, owner of By Golly Its Hot, winner of the July 4 Alameda County Fair Arabian Allowance, Six F, and runner-up, Burning Speed MKP, owned by Jim Schleimer and John Gish.

Susan Willis: "I have been following By Golly Its Hot since he started his racing career. I knew he had a lot of potential being by the great sire Burning Sand and out of the mare Golly Gal who also happens to be the dam of Golly Bret. Both are bred by Sam Vasquez and of course his reputation as an owner/breeder speaks for itself. His win yesterday was very impressive and I think his best is yet to come."
