

Arabian
FINISHLINE
Horsereporter

For over 25 years, the Stallion Guide has been the only International Arabian Racing/Breeding magazine in hard copy and now online produced in the US by Arabian Finish Line and horsereporter.com.

This award-winning magazine publishes information for some of the most successful Arabian racing stallions of our time.

Don't miss the Breeder Focus articles and the Year In Review with US Racing statistics including Hall of Fame and Darley Winners, track records and leading earners.

If you want to be connected and contacted, make sure you add your name to the International Arabian Reference Guide. Free for advert clients and still only \$50 (€50) for your farm, breeding, racing information and contact.
