PROMOTIONS

THAT WORK TOGETHER

We know Arabian breeding around the world has been challenged by many things, and we want to help you and the athletic, talented Arabian horse build back into prominence. We would like to offer you a complete advertising package for your stallion or farm to reach not just racing, but also endurance, sport horse and other athletic Arabian disciplines.

WE CAN OFFER YOU

- The Stallion Guide - January publication. For over 25 years this magazine has helped the International Arabian world decide on their breeding future. Traditionally features top International stallions of Arabian Sporthorse and Racing disciplines. Features articles on top breeders, and includes US and International Gr 1 racing statistics. Now available in hard copy and online. Magazines for purchase by single issue or subscription.
- The Arabian Bloodstock Companion - July publication. Highlighting Blue Hen mares and their progeny and open to the many disciplines of Arabians and retired race and sport horses. Includes feature articles on innovative programs and discipline leaders. Updated US and International Gr 1 racing statistics.
- **NEW for 2022!** - Arabian Magic Brochure - Two to four pages in print and Eblast - Larger page numbers upon request. Any months. Call for quote with design.
- **New for 2022!** - Don't Miss This Eblast - Series of four or eight Eblasts over any two months. Call for quote with design.

OUR REACH

The Arabian Finish Line/Horsereporter connection is a full circle global advertising partner with periodicals, brochures and Eblasts.

Our online magazines garner over 243,000 impressions over the wide world of the internet and have 42,000 views (reads) from over 60 countries. The top 10 countries listed are: United States of America, Saudi Arabia, Iraq, Italy, United Arab Emirates, United Kingdom, Qatar, France, Oman and Canada. We continue to have a respected reputation throughout the world.

The associate Horsereporter website and social media expands this view with over 11,439 unique visitors and 70,826 page views a month on six continents. Eblasts create a unique opportunity for individual attention.
